Engagement Announcement Form

Please print clearly or type. Courtesy titles are not used; women are listed by first and last name. For example John and Jane Doe instead of Mr. and Mrs. John Doe. Because of space limitations, please be as brief as possible. Information will be edited to conform with Marshall Democrat-News style. Photos should be vertical in format. After the announcement appears in the paper, your photo may be picked up at the newspaper office. Engagements are published on a first-come, first-serve basis as space allows. For information call 886-2233.
