Wedding Announcement Form

Please print clearly or type. When listing the names of the people in the wedding, include their city and state of residence as well as their relationship to the bride and groom. Courtesy titles are not used; women are listed by first and last name. For example John and Jane Doe instead of Mr. and Mrs. John Doe. Because of space limitations, please be as brief as possible. Information will be edited to conform with The Marshall Democrat-News style. Photos should be vertical in format. After the announcement appears in the paper, your photo may be picked up at the newspaper office. Weddings are published on Friday on a first-come, first-serve basis as space allows. Wedding announcements submitted more than nine months after the ceremony will not be published. For information call 886-2233.
